About Conference

We are happy to announce that the 2nd International Conference on Technological Innovations in Engineering and Management (ICTIEM-21) will be held on 30th - 31st March 2021 at Visakhapatnam. It is our privilege and pleasure to invite you to the conference. It aims to be an excellent setting to discuss the current progress in Engineering Technology and Management related fields, the development based upon new concepts, and the advances in modern Engineering and Management. It provides a platform to the scholars, scientists, engineers and students from universities and industries all over the world to present the ongoing research activities, and hence to foster further research relationships between universities and industries
